## Saves Expensive Trips

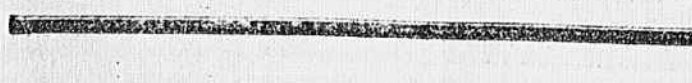

IT WAS NECESSARY for the Attorney to have a personal talk with a client in a distant city. The journey would seriously interfere with several important engagements made for that day.

He used the Long Distance Bell Telephone, had a satisfactory talk with his distant client and was able to keep all his engagements at home.

The Long Distance Bell Telephone increases the efficiency of business men who adapt it to their needs. It can serve you with equal satisfaction and economy.

By the way, have you a Bell Telephone?
